To the Employees of Roth Heating and Cooling:

The Canby Kiwanis Club would like to thank you for your participation in the annual community food and toy drive. Thank you for being a barrel donation site, and for coming to the warehouse (the wives, too) to help with the sorting of food and toys. Our utmost gratitude for the vehicles and manpower you provided for our basket delivery day. Because of the help from Roth employees, we were able to deliver food and toys to over 200 families and break down the warehouse in just a few hours. We seriously could not do this without your help!! We send special thanks for providing the goodies for Saturday morning and to Brent for coordinating the Roth effort. Because of your help, we were able to provide food boxes for 460 Canby families (2125 individuals) and toys for 1220 children.

We certainly hope we can partner with you again next year for this very worthwhile community project.

Sincerely,

Nancy Murphy, President
Canby Kiwanis Club
